

Troop 1001 Order Form

Class B Poly T-Shirt:

The forest green shirts have a full color troop logo applied via heat transfer to the chest, with "Troop 1001 – Richardson, TX" screen-printed front and back. To protect the transfer, please do not put the shirt in the dryer- air dry only.

The shirts are 100% polyester, the same material as "Under Armour". The shirt needs to fit snugly in order to wick the moisture away from the body, where it evaporates quickly, aiding in cooling, and dryness.

100% cotton shirt is available- please see the uniform coordinator
