Hello all Scouts and Scouters,

Fall is in the air so it must be time for Cottonwood! We need a great turnout to support the artists and the community. There will be sign-in sheets for the scouts. The patrol that has the best turnout in total hours worked will win a patrol meeting party at Main Event in Plano at a time to be set by the patrol. We need scouts on Saturday and Sunday to staff the kids art booth on the west side of the pond this year in addition to selling water and assisting artists with booth setup on Friday and breakdown Sunday night.

There will be no regular meeting next Monday night, October 6 to encourage scouts to contribute that time to the Cottonwood Festival. There will be a PLC meeting Monday night to continue planning this month's upcoming Physical Fitness/First Aid Olympics.

I look forward to seeing all of you this weekend at Cottonwood Park.

Yours in Scouting,

Scoutmaster Coon
